PRODUCT SPECIFICATIONS

Please list all the products you intend to sell. See the directions below.

**FARMERS AND GARDENERS:** Please list all value-added (non-vegetable or non-fruit) items you plan to sell. List the specific crops of produce (“lettuce” and “spinach” instead of “greens”) on your Crop Plan. The Crop Plan is the same form used as the FMNP Crop Plan. You will not have to complete it a second time. On the backside of this sheet please list the producer and contact information for any carried produce and list the other farmers’ markets that you participate in.

**ARTISTS/CRAFTERS/OTHER:** Please list all types of items you intend to sell. Check the appropriate space if the items are self-made or carried (bought for resale)

**PREPARED FOOD:** Please list all items you intend to sell. Note that all products must be homemade or prepared on-site and comply with the NYC Health Department and NYS Ag & Markets regulations.

Any new items that you may wish to sell during the market season must be approved by the market manager and added to this list.
